50 *in* 5

A bold plan to make the world a little more perfect by 2020

G Adventures is committed to ensuring the communities our travellers visit get something back in return. Since 1990, we've integrated 50 self-sustaining community initiatives into over 180 of our itineraries. These projects address local challenges to benefit indigenous people, empower marginalized women, and grant disadvantaged youth access to education, employment, and brighter futures.

We're dedicated to raising \$5 million to establish 50 new G Adventures for Good projects by 2020. By growing our global project total to 75, we'll connect the vast majority of our travellers to these important initiatives. But we can't do it without you.

Please visit gadventures.com/50-in-5 and donate today.

All donations go directly to the Planeterra Foundation, G Adventures' non-profit partner that works with local communities to build and manage G Adventures for Good projects around the world.

Everywhere is

local

Everywhere we go, from the biggest cities to the tiniest villages, we opt for local businesses and services whenever we can. In 2016, we became the first travel company to conduct a supply chain assessment based on our core values – the G Local Survey – to study the real-world impact of our travellers on the communities we visit. The numbers speak for themselves.

112,000

Number of people employed globally by G Adventures' contracted service providers.

SUSTAINABILITY

97% of our on-tour suppliers employ sustainability practices in their operations.

FRESH

9/10 of our suppliers purchase more than half of their supplies from local producers, markets, and farms.

GLOBAL

Nearly 100 of our on-tour experiences in over 40 countries include visits to indigenous communities.

LOCAL

91% of our on-tour hotels, restaurants, and tour providers are owned by local people.

FAMILIES

On average, 3 family members are supported by each employee of our service providers.

ECONOMIC STIMULUS

For every \$1 spent locally, there is an economic stimulus of \$8.

SUPPORT

50% of our suppliers worldwide contribute to non-profit organizations or local groups.

FOOD

65% of included meals are based on local food and traditional cuisine.

All figures derived from G Adventures' global survey of suppliers conducted as part of G Local, a sustainability framework developed in partnership with Sustainable Travel International (STI) and the Planeterra Foundation to evaluate localized impacts and guide G Adventures' purchasing decisions. All figures USD.

LOCAL STAFF

83% of supplier management staff are local.

G Adventures
50 in 50

It's been 27 years since I started G Adventures

And in that time, it's become more than just a travel company. It's a global brand that helps anyone feed their wanderlust – all while joining likeminded people who want to change the world, and to change people's lives.

It could be through making lifelong friends from far off countries on far away adventures, immersing yourself in a different culture, or finding a way to give back by leaving something meaningful behind. For me, and for everyone here, it comes down to being part of something special. Something that is greater than all of us. This movement, this desire to make the world better, has been a part of this company since the beginning. And, as more and more travellers seek holidays that mean something more, G Adventures continues to touch and connect with people all over the world, just like you.

We could just say we're giving back to the places we visit. But it's about so much more than that. It's about creating wealth distribution and redefining social enterprise – ideas that are behind our passion and our purpose, and that are a big part of why we believe travel can and should be a force of good. It runs through our blood, it's in our DNA, and it's what makes our people at G Adventures different than the rest.

After all, we were the only travel company to develop 50 in 5, a commitment to start 50 new G Adventures for Good social enterprise projects in the next five years. And this year, we're embarking upon a new way to shake up the travel industry – the Indigenous Tourism Guidelines. These are a set of international guidelines, developed with our non-profit organization Planeterra and the George Washington University's International Institute of Tourism Studies, that establish good practices for tour operators to engage respectfully with Indigenous communities around the world.

And in a world where we're constantly at risk of forgetting our heritage and ties to Pacha Mama (or "Mother Earth"), these guidelines grow more important by the day. It's our hope that these effect greater change in our industry, because when you forget how important it is to take care of the planet, we all lose a lot.

Travel is just one of the ways through which we can change the world for the better. The road may be difficult at first, but it gets a lot easier when you're not alone. And even easier when you do it with us.

Peace,

Bruce Poon Tip
Founder and Captain

Instant adventure: just add water

What's a Marine tour?

G Adventures Marine tours connect travellers to the world's greatest aquatic destinations aboard small, intimate ships and yachts. Each tour has been carefully designed to deliver unparalleled access to out-of-the-way ports and islands, and to foster meaningful connections with local people and cultures in a way you simply won't get from a large cruise line.

Small ships

We keep our vessels on the small side to get you places big ships can't. Smaller manifests mean the attention of the expedition team, naturalist guides, or skipper/CEO is split among fewer people, making the experience better for everyone.

Global groups

The average group size varies according to the vessel and the destination. Groups are often a mix of solo travellers, friends travelling together, and couples, all of varying ages and from all over the world. Come prepared to make some new best friends.

In-the-know experts

We employ a diverse set of highly skilled marine experts. So whether you're with a certified Galápagos naturalist, a polar expedition leader, or a licensed skipper, you'll return home with a deep appreciation for your destination.

Having the time of your life, made easy

We'll take care of your whole trip and then some

There's more to a G Adventures tour than just the itinerary. We have little ways you can personalize and enhance your once-in-a-lifetime experience. From erasing your map-reading stress to helping you get the right coverage for any "oops" situation, we've got you covered with the click of a button or quick chat on the phone. By taking care of these things before you go, conveniently all in one place, you get some extra peace of mind. Plus, you can stay in your bunny slippers.

Personalize your tour

Throughout these pages, you'll find suggestions for optional activities you can book when you book your tour. No duds. No risky harnesses. No disappointments. From hot air balloon rides to local cooking classes there's a lot out there, just look for "Personalize your tour" to make your adventure feel a little more yours.

Extend your stay

There's lots to see on any of our itineraries. But, if you want an extra day to explore Bangkok before your tour kicks off, or another night to unwind in Lima at the end, you can book your pre- and post-trip accommodation at your start or end hotel. More free time, less packing.

Arrival transfer

Who wants to have to flag down taxis or wrangle local transit after a 6-hour flight? We can help arrange your airport transfer in destination so you can get to your hotel easily and get exploring sooner.

Travel insurance

If there's one thing any sage traveller will recommend, it's to purchase travel insurance. We can find you the best coverage for your tour requirements and budget. Get just what you need (or a little more) by booking with us before you go.

Flights

Book your flights with us. We can find you the right flight at the best price by working with more than 80 international airlines. Skip the hassle of matching up arrivals, departures, and connections and let us do it for you.

TOP Personalizing your tour looks a lot (exactly) like this. **1.** Hold on tight: Going for a ride in Vietnam. **2.** In Dehli, Women on Wheels helps a traveller from the airport to her hotel. **3.** Got some time? Why not take a cooking lesson in Costa Rica?

Meet a few of your expedition team members

Susan Adie,
Expedition leader

Originally from New York, Susan went to sea in 1989 as a naturalist and never really came back to shore. With over 150

Antarctica expeditions under her belt, she's led tours in the Amazon, Svalbard, Siberia, the North and South Pacific, and Greenland. And she recently had a cove in Antarctica named after her! Susan currently serves as our Expedition Operations Manager.

Jonathan Green,
Expedition leader

Born and raised in England, Jonathan holds a BSc in Geology and Geography from the University of North London.

He trained as a naturalist with the Galápagos National Park Service, and has been a Fellow of the Royal Geographical Society since 1989. Jonathan has worked in the Galápagos, the Amazon, Antarctica, the Arctic, Africa, and the Americas as a diver and photographer.

Paul Teolis,
Photographer

An award-winning photographer, educator, and filmmaker, Paul's travels have taken him from Bhutan to

Antarctica and just about everywhere in between. In 2012, he designed and launched the on-board Photographer-in-Residence program, and his exceptional portfolio of polar photography was featured in the Taiwanese edition of *Harper's Bazaar*.

10:1

passenger-to-expert ratio

More on-hand experts means deeper access and greater understanding of the planet's most amazing places. Our experts' lectures, Q&A sessions, and personal reflection deliver a personalized and intimate perspective on these faraway shores.

Photography expert included

Each *G Expedition* tour comes with a resident photography expert to help you capture the best possible photos. Our photographer hosts lectures and workshops to teach you all the tips and tricks you need to know.

Add to your experience

Push your cruise to the limit

You're already going to the edge of the Earth; go a bit further. Make your voyage a little more yours (and a lot more amazing) by booking extra activities. Explore bustling Buenos Aires before your cruise, kayak through the ice floes, or camp out on the Antarctic ice itself. It's your trip; make it legendary.

Arctic and Antarctic kayaking

Nothing connects you to the blissful solitude and fragile beauty of the polar regions like paddling through them in a low-slung kayak. Kayaking excursions depend on the weather, but we'll try our best to get you out as much as possible. Participants should come with a working knowledge of strokes, entries, and exits.

Antarctic camping

Experience the sounds of heaving ice, the fresh scent of the sea, and the crisp air of Antarctica in the polar night by camping out on the ice itself. We provide all the tents, warm sleeping bags, and other equipment. You simply have to lie back and enjoy it (and you will). The only thing we don't include: hassles.

Antarctica hotel and flight package

Start your Antarctica adventure off right and get your accommodation and transport needs in Argentina sorted up-front. Beginning a day before you join your Antarctica cruise, this package includes a pre-cruise night in an upgraded service level Buenos Aires hotel, flights to and from Ushuaia, and all your transfers to and from the airport.

Flight from Oslo to Longyearbyen

Getting to some of the most remote places in the world can be tricky. So, to help you out, we've arranged a flight from Oslo to Longyearbyen. Climb aboard to reach Svalbard, and prepare for your upcoming adventure in the Arctic.

TOP Kayaks and Antarctica: a match made in heaven. **1.** "Guys, stop trying to fly. We've got visitors." **2.** Trekking the mountains of Spitsbergen. **3.** Make yourself at home. **4.** Zodiacs let you get close safely and steadily (perfect for photos).

BOOK NOW

Camping and kayaking excursions fill up quickly and cannot be added to your adventure after departure. See page 60 for details.

Small is the new big

Get even closer to the perfect shot

Equipped to handle the rigours of extreme-environment cruising, the *G Expedition* provides a comfortable and safe experience for all of her guests. Big enough to host 134 passengers comfortably, yet small enough to access spots beyond the reach of the big liners, she's a little ship that feels surprisingly big.

Room to move

Travellers tell us all the time about how unexpectedly spacious they found the ship's cabins and common areas.

Swift and smooth

The ship's advanced stabilizers take the pitch and roll out of the ocean, ensuring your stay on board is as smooth as possible.

Top-notch sightlines

Between the 360° outdoor decks, the raised observation platform, and broad windows in common areas (and some cabins, too!), you'll never miss that perfect shot.

TOP The *G Expedition* in the Arctic. She's a beaut, ain't she? **1.** Enjoy every warm moment you can. **2.** Our on-ship photography experts can help you figure out how to frame your shots better. **3.** Getting ready in the mud room for another shore excursion. Not shown: mud. **4.** Zodiacs let you get close safely and steadily (perfect for photos).

UPGRADED ENGINES

We've recently upgraded our engines. The new-and-improved *G Expedition* consumes less fuel, generates fewer emissions, and leaves a lighter footprint on the planet.

IAATO- and AECO-approved

G Adventures is committed to sustainable travel. We ensure that all of our marine expeditions adhere to environmental practices above and beyond the compliance regulations of the regions we explore. Look after the planet and it'll look after you, too.

The hotel that floats

Great amenities that go wherever you do

The *G Expedition* offers superbly appointed public areas designed to educate, entertain, inspire, and get you sweating (but not necessarily in that order). Common areas are all set up with wi-fi so you can stay connected to the outside world.

The Lounge

Framed on three sides by magnificent views, the large and inviting lounge offers enough padded sofas and chairs to accommodate everyone comfortably. It's also where our on-ship lectures, briefings, and recaps take place.

The Penguin Library

Stocked with informational resources, the library is the perfect place to contemplate what you saw today and prepare for what you'll see tomorrow. Copies of the ship's daily paper are available at reception.

Polar Bear Pub

The warm heart of the ship, the Polar Bear Pub offers a cozy spot to unwind. With music provided most nights by our resident talent, a wide selection of drinks, and entertaining bartenders serving them up, it's a happening spot.

Gym/Sauna

Just because you're at sea doesn't mean you can't squeeze in a workout. The on-board gym features new workout equipment, all the towels you need, and views to keep you motivated. A soothing sauna located off the mudroom is perfect for warming up after excursions.

LEFT Get comfy in the lounge. **1.** Raising the bar, and glasses, at the Polar Bear Pub. **2.** Get the daily low-down at reception. **3.** Warm up with a workout in the gym. **4.** If you don't return the books to the library, we'll know where to find you.

Meals served with a side of icebergs

Dinner and a show right outside the window

Even if you're exploring the ends of the earth, you can still enjoy flavours from the middle of the globe aboard the *G Expedition*. From a breakfast buffet complete with all your favourites, to on-deck barbecues (weather depending), to settling in for tea time, what you eat on board is always thoughtfully planned and prepared.

Albatross Dining Room

Spacious enough to host all passengers at once, the Albatross Dining Room serves up a diverse array of gourmet fare prepared by a team of skilled chefs. We also offer afternoon tea service and complimentary snacks, as well as coffee from the G Adventures-supported Mi Cafecito coffee cooperative (when available).

Fun with food

Let your taste buds travel around too with international theme nights. Enjoy Italian cuisine one night and Mexican specialties the next. Passing by Norway? Get a taste of local dishes with a region-themed menu.

Keep up with the view

Don't miss out on the scenery even during dinner. The Albatross Dining Room has windows facing the bow, starboard, and port sides so you can marvel at the scenery and your perfectly cooked steak all at once.

Farm to floating table

As the ship stops en route, the expert staff stock up on tasty local ingredients to create a menu that's as sustainable as it is delicious. Fill up on fresh seafood from Norway, Argentinian beef, and delicious produce picked up along the way.

Q: What's the best part of your job?

A: "Making the passengers happy. I like to make whatever they need and we can cater to any special requests and dietary needs. And I get to work around the world with an amazing team."

— Tony, Chef

Antarctica

A world away from ordinary

On December 14, 1911, Roald Amundsen and four fellow Norwegian explorers became the first men to reach the South Pole, beating the ill-fated British team headed by Captain Robert F Scott by just over a month. One hundred years later, Antarctica remains a continent of superlatives that will leave your mind searching for words to describe it.

TOP Penguins; definitely not the shyest creatures you'll meet. **1.** Seeing wildlife this close really seals the deal. **2.** "Now just the boys! Row, row row your boat..." **3.** A camp out you'll never forget. **4.** You'll never forget the beauty of Antarctica. (But bring a camera anyway.)

The @ difference

Antarctica is so otherworldly it can be easy to forget that you're actually still on Earth. Here's how our adventures down here keep that out-there feeling alive:

Cold, hard facts

For a place without any indigenous cultures, Antarctica has a fascinating human history. Stop in at a scientific research station to learn more about how this harsh land was tamed.

Join the Antarctic swim team

Want the ultimate unbeatable travel anecdote? Strip down to your skivvies (or a swimsuit), dive into the ice-cold waters at the bottom of the world, and earn bragging rights for life.

Sail the Drake Passage

The waters that separate Argentina and Antarctica are the stage upon which some of exploration's most dramatic tales were set. Follow the path blazed by brave mariners and make a little personal history of your own.

Cruising the Arctic

Into the Great White North

The vast expanse of the Arctic conjures up images of sparse and inhospitable snow-covered lands. However, when summer arrives, this region springs to life with a magnificent bounty of wildlife and awe-inspiring natural wonder. In the high Arctic, you'll find polar bears hunting seals on the open ice and encounter colonies of seabirds enjoying short summers of abundance on the tundra.

TOP "Nope, still can't see when the fun is going to end." **1** In Longyearbyen, it's pretty crucial to get along with your neighbours – there aren't many to choose from. **2** If you aren't paddling hard enough, just blame the view. **3** Scobie, one of the *G Expedition's* expert crew. **4** "They're looking over here. Quick, act natural."

The @ difference

Sure, it's a little cold up in the Arctic, but when you travel with us, the welcome is always warm. Here's how we make this frozen kingdom come alive:

Your own personal ice age

Sail right up to the edge of the Arctic icepack at 80°N and keep an eye out for polar bears. It doesn't get much more quintessentially arctic than this.

Follow that bear!

Improve your odds of catching a glimpse of *Ursus maritimus* from the bridge of the *G Expedition*. Someone's on watch 24 hours a day, so you'll always be among expert company.

Enjoy the silence

You may not think of it as such, but the arctic tundra is considered the planet's smallest forest. The disarming quietude of this place is indescribable. Just stand still and let it envelop you.

ITINERARY

From close-up encounters with icebergs and glaciers to the region's plentiful wildlife, this is a voyage of non-stop highlights. Always on the lookout for wildlife that live in this polar wilderness, you'll explore this landscape not only by ship but also on foot and via Zodiac. Roaming polar bears, lounging seals, grazing reindeer, and colonies of birds all co-exist in this harsh land we dare only to explore a few months of the year.

DAY 1 LONGYEARBYEN Transfer from Longyearbyen to the *G Expedition* for a 4pm embarkation. (1D) **DAYS 2-7 SVALBARD/SPITSBERGEN** Visit ice-sculpted fjords with breathtaking mountain scenery and glaciers. Spend time exploring the natural wilderness searching for polar bears hunting seals. Look out for arctic foxes or Svalbard's unique reindeer at one or more stops. The Expedition crew's goal is to give

travellers the best possible opportunity to see wildlife in and around the Svalbard archipelago (dependent on weather conditions). Early-season voyages often provide the greatest opportunity to see large ice floes in the Arctic pack ice, which usually means excellent wildlife viewing. Later in the season, the *G Expedition* will cover more territory, exploring more of the archipelago. This can lead into the less explored regions or the continental edges, where large whales are attracted by nutrient rich upwellings. (6B, 6L, 6D) **DAY 8 LONGYEARBYEN** On the departure day, there will be transfers available to the Longyearbyen airport for all travellers with flights scheduled after 4am. (1B)

JANE GOODALL COLLECTION

A selection of wildlife-focused tours endorsed by world renowned primatologist Dr. Jane Goodall. Your purchase of a Jane Goodall Collection tour helps G Adventures support the Jane Goodall Institute's mission to protect wildlife and empower local communities.

WHY THIS TOUR?

Wildlife enthusiasts wanted

This tour runs during summer on the western edge of the Spitsbergen archipelago, which means the ice provides better chances of encountering the animals that hunt upon it. June departures feature more ice (more polar bears!); July-August tours have decreased ice for easier navigation and more tundra colour.

Expedition parka. **ACCOMMODATIONS** Aboard the *G Expedition* in quad-, triple-, twin-share cabins, or suites (all with en suite bathrooms and porthole or window, 10 nts). Please note that all cabins consist of twin-size berths and are ocean-facing. Suites have one queen-size bed. **TRANSPORT** *G Expedition*, Zodiac, local bus, walking. **GROUP LEADER** One expedition team member per 10 guests. **MEALS** 10 breakfasts, 9 lunches, 10 dinners. Allow USD25-35 for meals not included. Drinks and tips on board not included.

ITINERARY

Similar to our “Realm of the Polar Bear” tour, but with three additional days of exploring. Scour the ice and tundra in search of the elusive polar bear and encounter even more icebergs, glaciers, and unique wildlife than you ever thought possible on this 11-day expedition. Search for lounging seals, grazing reindeer, and colonies of birds under the midnight sun.

DAY 1 LONGYEARBYEN Get a first glimpse of the midnight sun in Longyearbyen, Spitsbergen’s capital. Transfer from the city to the *G Expedition* for an afternoon embarkation. (1D) **DAYS 2-10 SVALBARD/SPITSBERGEN** Each day is planned to take advantage of local ice and weather conditions. Svalbard is one of the few places on the planet to offer such a plethora of natural and historical extravaganzas. Spend the next nine days exploring the remote polar regions. Visit ice-sculpted fjords with breathtaking mountain scenery and glaciers crashing into the sea. Spend time exploring pack ice edges in search of polar bears hunting seals. At one or more of the stops, it’s possible to encounter Svalbard’s arctic fox and the region’s unique reindeer. The *G Expedition* crew’s goal is to give travellers the best possible opportunity to see wildlife in and around the Svalbard

archipelago. Ice conditions sometimes allow sailing through the Hinlopenstretet towards the east coast of Spitsbergen, then through Freemansundet towards the south. On some departures, explore alternative routes to maximize time in this remote destination. Early season voyages often provide the greatest opportunity to see large ice floes in the Arctic pack ice, which usually means excellent wildlife viewing. Later in the season, the *G Expedition* will cover more territory, possibly exploring more of the archipelago. This can lead into the less explored continental edges where large whales are attracted by nutrient-rich upwellings. (9B, 9L, 9D) **DAY 11 LONGYEARBYEN** On departure day, transfers to the Longyearbyen airport will be offered to all travellers with flights scheduled after 4am. (1B)

Welcome to the Galápagos Islands

Dive into nature's workshop

Situated 965km (600 mi) off the coast of Ecuador, this isolated haven of biodiversity remains nature's greatest science laboratory, home to a dazzling array of birds, reptiles, fish, and mammals that you won't find anywhere else. With no known predators, the wildlife here exhibit almost no fear of humans. It's a place that must be seen to be believed.

TOP "Scuse me. 'Scuse me' Coming through." **1.** A common Galápagos resident: the Lava Lizard. **2.** No pier pressure, but only the cool pups hang here. **3.** "Nobody told me to wear white. I'm outta here." **4.** Bartolomé Island, a sight for sore eyes. **5.** In the Galápagos, the next natural wonder is always just a short kayak trip away.

2

The @ difference

G Adventures explores the Galápagos a little differently. Small groups and dedicated CEO Naturalist Guides are just the beginning. Take a deeper dive into how we get around out here:

Smaller is better

We keep our group sizes intentionally small. In the Galápagos, it's usually 16 or 20 travellers – in order to deliver a more personal experience.

Great guides

Each vessel features its own CEO Naturalist Guide who knows the islands and their inhabitants like the back of their well-tanned hands.

Everything's included

Unlike other travel companies, we include the cost of your return airfare between Quito and the Galápagos. Transition smoothly in and out of adventure mode at a comfortable hotel in Quito before and after your tour.

Unbeatable variety

With four yachts, two service levels and 7, 10, and 17-day itineraries, we've got a Galápagos adventure that aligns perfectly with your budget and timetable.

Combine Peru & the Galápagos

Combine any Peru itinerary with any Galápagos cruise and we'll pick up the cost of your flight between Lima and Quito. See page 88 for full details.

Shore excursions

Get more out of the Galápagos

Our Galápagos crews feature a cast of characters almost as diverse as the Galápagos islands themselves. Acknowledged experts in their fields (and pretty great people to hang around with to boot), your CEO Naturalist Guides are always ready to answer any question you may have about the region and its wildlife.

Meet your Galápagos Team

Fabian, CEO Naturalist Guide

Q: What sets the G Adventures Galápagos program apart from the competition?

A: “Our adventurers arrive on board with all the information and details about our operations and options, as well as the support they get from G Adventures. We educate them about our goals and welcome them to join in, both in the Galápagos and all over the world.”

Omar, CEO Naturalist Guide

Q: What’s the best part of your job?

A: “Sharing my knowledge about the Galápagos islands and being an ambassador for G Adventures. It’s great to be able to lead responsible trips based on a solid corporate social philosophy in order to reach the satisfaction of our customers overall. It’s about trying to reach excellence.”

José, CEO Naturalist Guide

Q: What’s does “Lead With Service” mean to you?

A: “It means getting to know every traveller and creating a real connection. The more you know your group, the better you’ll know what experiences they’re looking for from one moment to the next.”

1

TOP You might start feeling more comfortable in flippers than in shoes. **1.** Feeling crabby? Not this little guy. **2.** "If you live to be my age, you'd nap a lot too." **3.** The Galápagos is a busy hub of take-offs and landings.

3

Galápagos Land & Sea

All G Adventures Galápagos tours are a minimum of seven days (four nights in the Galápagos). We know that you need at least that long to enjoy what the islands have to offer. Look for this title in all of our available tours, and you'll be choosing to spend a night on shore in Santa Cruz either before or after your cruise.

Excursions & activities

Nobody comes to the Galápagos just to loaf around on deck all day. You're here to explore, and we do our best to get you off the ship as much as possible. We'll make two landings every day at different sites to keep things fresh and interesting.

Hiking & wildlife spotting

Not all of the Galápagos' natural attractions swim, scuttle, or fly. Active volcanoes abound here, and you'll get the chance to get up-close and personal with one during a hike on Isabela Island's Sierra Negra volcano crater and trekking across volcanic beaches.

Snorkelling

Getting out to swim and snorkel with the islands' exotic creatures – including sea turtles, hammerhead sharks, and sea lions – is one of the most amazing experiences you can have out here. We do our best to ensure you spend as much time in the water as you can.

Uncommon experiences

The Galápagos Islands lend themselves to truly unique experiences. Drop off some mail at Post Office Bay on Floreana, study tortoises at the Charles Darwin Research Station on Santa Cruz Island, and pass through majestic Kicker Rock off San Cristóbal Island. (And we're just getting started.)

2

Galápagos Islands, explained

What lives where and what to look for

The Galápagos Islands are a natural treasure for the whole world to enjoy. Spread across 13 principal islands, three smaller ones and dozens of tiny islets, are the creatures that inspired a young Charles Darwin to pen his theory of natural selection, which promptly turned the scientific community on its head.

THE WEST ISLANDS

Isabela & Fernandina

The largest of the Galápagos Islands, the less-visited west islands contain some of the archipelago's largest colonies of birds and marine iguanas and boundless snorkelling opportunities. If you're looking for wildlife, come here first.

Things to do

- › Hike to the caldera of Sierra Negra Volcano
- › Visit massive colonies of seabirds and marine iguanas
- › Hike over lava fields and black lava flows
- › See the five largest volcanoes in the Galápagos

THE SOUTH ISLANDS

Floreana & Española

The south Galápagos Islands are home to top-notch snorkelling and quirky tradition. Volcanic bays and unusual land formations provide shelter for its birds and fish, and the charming simplicity of Post Office Bay always raises a grin or two.

Things to do

- › Relax on white-sand beaches on Gardner Bay or scale the volcanic landforms
- › Post a letter from Post Office Bay, the visitor-supported hand-delivery mail system
- › Discover exotic marine life at Champion Islet, a snorkeller's paradise

1

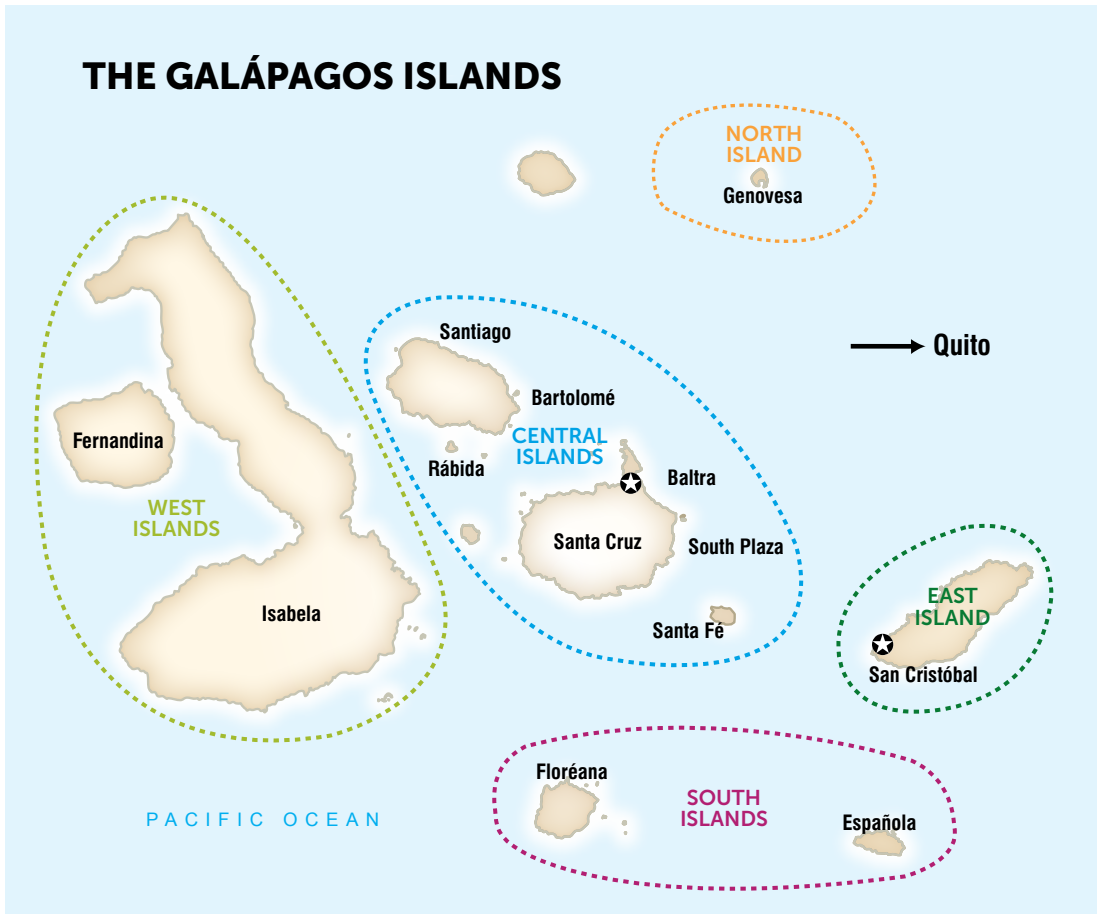

THE CENTRAL ISLANDS

Santiago, Santa Cruz & surrounding islands

The Galápagos' central islands are probably the best spot to witness the full scope of the diversity here, both on land and under the sea. Each of these small islands evolved in isolation from its neighbours, spawning an amazing collection of plants and animals.

Things to do

- › Come face-to-face with 100-year-old Galápagos tortoises in the lush green highlands of Santa Cruz
- › Enjoy the stunning view of Pinnacle Rock on Bartolomé Island
- › Explore hidden snorkelling spots and white-sand beaches on Santiago
- › Swim with playful sea lions in the waters off North Seymour

THE NORTH ISLAND
Genovesa

It's hard to tear your eyes away from the water here, but you'll want to look skyward on Genovesa. Home to some outstanding bird life, this tiny rock is just as incredible under the waves, boasting a rich variety of aquatic animals that rival their winged neighbours.

Things to do

- > Snorkel the sunken crater of a volcano while keeping an eye out for sea turtles and reef sharks
- > Hike the trail that leads to El Barranco for a top-notch vantage point, passing massive colonies of seabirds along the way
- > Explore the largest nesting colonies of red-footed boobies and frigatebirds

THE EAST ISLAND
San Cristóbal

You'll find just about every kind of creature imaginable (including snorkellers and scuba divers) in the clear waters off San Cristóbal. The land and sky are equally amazing, too, playing host to colonies of boobies, frigatebirds and volcanic landscapes.

Things to do

- > Sail through mysterious Kicker Rock and dive into the waters to check out the aquatic life
- > Hike at Punta Pitt in search of three distinct species of booby
- > Relax on the white-sand beaches of Cerro Brujo with the sea lions

TOP LEFT Lunch time at the Santa Cruz Island Tortoise Ranch. **1.** A pair of blue-footed boobies get ready for their close-up. **2.** In many ways, the Galapagos is a fully-immersive aquarium (emphasis on the "immersive" part). **3.** Digging for a snack in the native flora. **4.** Sea lions squabble over prime beachfront real estate on Isabela Island. **5.** Neck or built-in bendy straw? Darwin would be proud.

River adventures

Get deeper into the destination

Sure, the wide-open ocean is a nice setting for a cruise, but what about those inland destinations far from the coast? Fear not, sailor. Our river adventure program opens up the interior of some of the world's greatest places via inventive itineraries down fabled waterways like the Amazon, the Ganges, the Mekong, and the canals that feed France's wine country. The water may be shallow, but the potential for adventure runs deep.

TOP Light your way through the Amazon on the Amatista. **1.** Is there anything better than fresh fruit? (Besides bacon, you know, bacon?). **2.** Cruise control on the Mekong: The perfect speed to take it all in. **3.** Our boats will get you places you couldn't get otherwise. **4.** Can you see yourself here yet?

The difference

Come along with us and get deeper into these regions than you'd ever get on dry land:

Remote access

Explore the protected jungles and isolated communities of world-famous rivers. Seek out rare moments in nature on guided excursions, and get to know what life on the riverside is like from those who live on the riverside.

Local encounters

Rivers were the highways of the ancient world, yet remain home to some of the most isolated communities. Discover how civilizations survive and thrive here by exploring with local experts.

Stellar CEOs and guides

Each cruise features a G Adventures CEO or naturalist guide, locally trained and focused on developing your understanding of the wildlife, cultures, and ecosystems of the surrounding area.

Authentic river adventure feel

Each boat was specifically designed for cruising its unique environment. They come with windows in every cabin, large open decks, and, depending on where you are, a fleet of skiffs for excursions.

Amazon river adventures

Go deeper into the wild without sacrificing comfort

For millennia, the Amazon has been reluctant to reveal its secrets to outsiders; to this day, science still can't fully explain the staggering biodiversity of this lush tropical forest. Step aboard the Amatista, our purpose-built riverboat, and journey from the source of the mighty Peruvian Amazon to Pacaya-Samiria National Reserve in search of answers.

TOP Our riverboat waterscape skiffs will get you that much closer to the Amazon. **1.** Guys, this pyramid is getting outta line. **2.** Learn about indigenous plants from the experts. **3.** A comfy spot to catch up with the group. **4.** The on-board dining room.

1

The difference

Our riverboat program puts its immensity on a personal level, and once you've cruised it with us, you'll never be the same. Here's why:

Remote access

Explore the channels and tributaries of South America's most mystical of rivers to meet the region's inhabitants in their isolated riverside communities – places you'd never find on your own.

Meet them where they live

Step off the riverboat and experience what life along the Amazon is really like. Visit the markets, try out the local cuisine, and rejuvenate yourself through a special shaman-led spiritual healing session.

Make more of your downtime

Our riverboat is a comfortable ride, blessed with loads of outdoor spaces to unwind and watch life along the river drift past. A bevy of onboard experts are on-hand to add to your experience through engaging lectures on local wildlife and river culture.

Welcome aboard the Amatista

Cruise the Amazon in style and comfort

Our purpose-built riverboat grants you the freedom to explore the Amazon in comfort. Boasting roomy public spaces, a bright upper deck, and stunning, take-it-all-in sightlines, the ship's outdoor spaces are the perfect spot from which to survey the greener-than-green rainforest and the dazzling array of colourful birdlife that inhabit it.

A hotel that goes where you do

Designed for life on the Amazon, the *Amatista* offers a comfortable floating-home-away-from-home with great sightlines, spacious dining facilities, a roomy observation deck and river views in each cabin.

Expert crew

The *Amatista's* crew is handpicked for their knowledge of the Amazon River, its people and wildlife. Formal lectures and informal chats open up the conversation about the diverse and fragile ecosystem that surrounds you.

Top-notch cuisine

Meals are served buffet-style and offer a healthy mix of international cuisine and Peruvian fare prepared from fresh local ingredients. The *Amatista's* dining room seats all passengers at once at tables of four to six. Complimentary tea, coffee and water are served all day, with bottled water, juice and snacks available for purchase.

India river adventures

Connecting the past to the future along the Ganges

Sacred to Hindus and essential to the everyday life of millions of people, the Ganges is arguably the most important river in the world – an ancient highway that connected kingdoms, historic battlegrounds, and remote villages. Head down the Ganges with us aboard our riverboat and discover wonders you never knew you were missing.

TOP The *Varuna* cruising through the Ganges. **1.** Rule 1 of riverboat dinner buffets: no line cutting! **2.** Lots to see on the *Varuna*'s observation deck. **3.** The *Varuna* deck is a comfortable place to digest everything you've seen today. **4.** You can try, but fitting all of Varanasi in the frame ain't easy. **5.** The Ganges is seen as a holy river and a deity in Hinduism.

The difference

Our Ganges riverboat program brings the beauty and majesty of the river and its surrounding communities to life. Step aboard and discover India's story straight from the source:

Tradition comes alive

The rural village of Matiari is famed for its long tradition of brass-working. On our stop here, you'll meet some of the artisans who keep that tradition alive today, and get to watch them hammer, shape, engrave, and polish brass water pots by hand.

Explore the Temple City

In Kalna, you'll swap the boat for a rickshaw and travel to the gorgeous 108 Shiva Temple Complex, an engineering marvel of temples that stand in two concentric circles. For the full effect, stand in the centre of the complex and admire the incredible sight.

Roots of the Taj

The historic city of Rajmahal is home to dozens of ruined palaces, forts, and mosques reclaimed by nature. It's also the childhood home of Shah Jehan, the fifth Mughal Emperor and builder of the Taj Mahal.

Welcome aboard the Varuna

Your envoy to the Ganges

Designed specifically to navigate the twists and turns of the Ganges, the *Varuna* opens up a whole other side of India to G Adventures travellers. A roomy 40m (130 ft) of floating comfort with a spacious sundeck and great sightlines, she's the perfect ambassador to India's most celebrated waterway.

A lounge with a riverfront view

The whole point of adventure travel is to get out and explore, but don't be surprised if you have a hard time tearing yourself away from the boat. Plush seating, plenty of outdoor space, a groovy saloon, and more will make going ashore harder than you suspect.

Fine dining on the move

Just because you're on the boat doesn't mean you can't expect a good meal. The onboard kitchen and expert staff are at the ready to deliver a stellar array of meals. Expect a mix of traditional Indian cuisine and Western favourites.

Great sights everywhere you look

The best part of riverboat travel is being able to watch the fascinating world you're travelling through drift by while someone else does the steering. You won't miss a thing even when you're inside with large windows and panoramic views.

Mekong river adventures

Exploring the last great wild river

A thriving trade route for six different countries for thousands of years, the Mekong remains one of the few big underexplored rivers. Rich with wildlife (only the Amazon is more biologically diverse) and lined with everything from small towns to compelling temples, the Mekong's many twists and turns have helped it retain its wild character.

TOP The *Toum Tiou II* cruising down the Mekong. **1.** You'll want seconds pho sure aboard the Toum Tiou II. **2.** Set foot (carefully) on a floating village in Cambodia. **3.** The double/twin occupancy cabin you'll barely spend time in. **4.** Dining in style.

1

3

4

The difference

An important trade route, the Mekong boasts the widest diversity of wildlife of any waterway save for the Amazon. It's also both beautiful and notoriously difficult to navigate. Come along with us and see a side of Asia few ever will:

Handmade history

The fishing port of Kampong Chhnang is known for its earthenware, made the same way for centuries. Stop here at a brick factory to witness the production process and a pottery-making demonstration from skilled local artisans.

Phnom Penh by cyclo

Cambodia's capital is one of the busiest cities in all of Southeast Asia, and there's no better way to move through it than by cyclo. Settle into a traditional cycle rickshaw and move through the streets with the help of a driver provided by a local NGO that assists the city's poor.

Culture aplenty

From the pier of My Tho, you'll leave the riverboat and travel to Thoi Son Island with the help of local boats. The island is best known for its coconut trade, and you'll get an insider's view of this regionally important fruit and be treated to a special tasting, too.

2

Welcome aboard the Toum Tiou II

Your floating abode

Built with a traditional look, the *Toum Tiou II* adds a new dimension to exploring the natural and man-made wonders of this part of the world. Named for the “Cambodian Romeo and Juliet,” the boat features elegant colonial décor, spacious public areas, and a stunning sun deck.

Teak mystique

Should you find it difficult to leave your cabin, don't be alarmed. The feeling is completely normal. *The Toum Tiou II* is a comfortable place to stay, with central air and Cambodian teak accents that lend it an elegant appeal.

A great meal always nearby

The kitchen of the *Toum Tiou II* is famed for its cuisine, prepared right on the ship by a staff of expert cooks. Meals are a nice blend of Asian and Western fare, and you're always welcome to a cup of coffee or tea on the house.

A bicycle built for you

Part of the experience of riverboat cruising is having the chance to disembark and stretch your legs somewhere new every day. We've brought along a collection of bikes for you to use free-of-charge to make exploring even more pleasant.

Burgundy canal adventure

What pairs best with red? Water.

Practically tailor-made for pleasure cruising, the network of rivers and centuries-old canals that crisscross Burgundy, France's fabled wine-producing département, are simply the best way to explore central France on the sly. Life unfolds at a different pace in this pastoral part of the world, and nowhere is that more obvious than from the deck of a piloted canal barge (or peniche) that doubles as your floating hotel.

TOP She might be the best *Danièle* you've ever met. **1.** Riding through wine country. **2.** Croissants for breakfast on board. **3.** From grapes to world-renowned wine, these fruits had big dreams.

1

The @ difference

The Burgundy canal barge makes the most of the intricate waterways that crisscross the region, delivering you to tiny villages and idyllic landscapes you'd never see from the road. Plus, there's great wine and food to be had just about everywhere. Your mouth has already packed its bags. Join it, along with all of this:

Quaintness galore

You've seen them on postcards and in travel magazines forever, now's your chance to explore the little towns and villages that dot France's winemaking region. Each one is unique and has its own special charm, especially when you come across them by river barge.

Cycle of life

Sure, the bucolic scenery is nice to look at, but it's even better when you get out and explore it yourself. In Côte de Beaune, you'll head ashore, mount a complimentary bicycle, and pedal through the vineyards with frequent stops for wine-based refreshment along the route.

Wine, all the time

As one of France's main wine-producing regions, Burgundy is practically a holy site for oenophiles. Step off the canal boat and spend some time tasting the area's rich and varied wines, investigate its legions of underground wine cellars, and explore its many vineyards.

Welcome aboard the **Danièle**

More than just a pretty face

This charming little boat is tailor-made for a region as picturesque as Burgundy. Cozy and adept, the *Danièle* has room for a maximum of 22 passengers, keeping the experience intimate and relaxed throughout.

Relaxation incarnate

The riverboat is more than a mere means of conveyance; it's your home for the duration of your tour. And goodness, what a nice home it is! When you're not ashore, curl up on the deck and catch some rays or slip into the onboard Jacuzzi. Adventure should always be this laidback.

Great views, inside and out

The *Danièle's* communal spaces are one of the boat's major highlights. Unwind with a refreshing drink at the spacious bar, lounge it up on the sundeck, and swap stories on the barbecue deck. The toughest part of your downtime will be deciding where to spend it.

Mellow vélo

Cruising Burgundy by canal boat is one of the best ways to see this part of the world. The next best? By bike, of course! We've stowed a selection of touring vélos (bicycles) on the boat that you're free to use whenever the mood strikes.

Welcome to Sailing

Wherever there's water, there's us

You may not have your own private yacht waiting to spirit you away to distant shores. But we do. Plenty of 'em. (And a couple of catamarans, too.) Climb aboard and explore the Greek Islands, the Adriatic, the Andaman Sea, the Caribbean, Indonesia, and other exotic places with a small group of fellow adventurers and a skipper who knows your destination's every isolated cove, pristine beach, and secluded coastal village. Billions of years ago, we emerged from the sea. Isn't it time you went back?

Europe

Whether it's exploring the undiscovered bays of Croatia and Montenegro's Dalmatian Coast or sailing past the whitewashed villages of Greece, seeing the ancient shores of Europe via nimble sailing boats is an unforgettable journey.

See pages 110-123.

The Caribbean

Explore pirate coves and hidden lands Break away from the typical tourist tracks and witness the Caribbean the way seafaring explorers have for centuries. Experiencing island life from the deck of a comfortable catamaran ought to be on everyone's must-do list.

See pages 124-129.

Southeast Asia

Escape the resorts via catamaran After sailing the glittering Andaman Sea and Bali seas, you'll know why Thai sailors go to sleep each night wearing the hugest grins. And with our exclusive catamaran sailing program being the best of its kind in Thailand and Indonesia, you will, too.

See pages 130-137.

Sri Lanka & The Maldives

Venture aboard a traditional dhoni boat Our adventures in this remote locale are suitably bold: exploring volcanic atolls, snorkelling the turquoise waters, admiring coral reefs teeming with tropical fish of every hue, and loads of time for lazing it up on blazing-white beaches.

See pages 138-141.

TOP Our skippers are the perfect teacher to show you the ropes. Like this one. **1.** Dinner on a sailboat at sunset. Otherwise known as the most relaxing moment of your life. **2.** Sailing around the British Virgin Islands takes some hard-work. **3.** The lesson? Sailing. The classroom? The Greek islands. **4.** Phang Nga Bay Beach.

The @ difference

Your yacht or catamaran doubles as your hotel, which means you'll only have to unpack once. That gives you more time to do what you came to do – island-hop and have a blast. Here's how:

Low cost, high value

By combining transport and hotel into one handsome vessel, we can afford to keep costs low. No need for expensive day tours and ferries; our tours are flexible enough to ensure you get the most bang for your budget.

Innovative itineraries

Your skipper always has a sail plan, but it's not hard-and-fast. Flexible itineraries allow us to set out for the best beaches and remote little places other travellers – and even some locals – won't have heard of.

What you see is what you sail

Unlike other operators, our fleet is comprised of exclusive boats of similar make and size. What does this mean to you? You can book with the confidence that the boats you see on these pages are the ones you'll sail.

Great skippers

Your skipper will share the hidden gems and help you explore the local side of the islands and ports we visit. Our skippers are fully licensed professional sailors with deep knowledge of the local waters and customs.

Unpack once

Your hotel goes everywhere you do. There's no need to think about where you'll be staying next, and when to re-pack your bags.

European sailing

Small ships, enormous adventures

There's simply no better way to get the most out of Europe's island-speckled shorelines than from a nimble, intimate sailing yacht. Each of our yachts has its own distinct character reflective of the waters it traverses, but they're all constructed along similar lines. Take a look before you go.

TOP Our knowledgeable CEOs will always steer you in the right direction. **1.** If only all staircases ended with views like these. **2.** Snorkelling in Croatia. **3.** Toast to a perfect European adventure.

Meet your skippers

Toni, Croatia/BVI

Some may have fire in the veins, but Toni would probably bleed the same turquoise hue as the sea. Raised on a boat, a competitive diver and swimmer,

and an experience sailor with STCW certifications, Toni's no stranger to H2O. With over 30,000 nm under his belt, he shows travellers off-the-map highlights and trails.

Scott, Greece/BVIs

Skipper Scott as we call him, ditched Scotland's rat race in favour of starboards and booms. What started as a "wee" sail evolved into a RYA

Yachtmaster certification and 65,000 nm. With several awesome seasons under his belt, he literally and figuratively helps travellers navigate the Mediterranean and Caribbean waters.

Junior, Greece

A postcard for shaking up your life, Junior was going to study English but casually spent some time sailing the Red Sea and around the Greek Islands,

igniting a new passion. After getting his RYA certification he set sail from the English Channel and stayed on his sea legs.

The @ difference

Until you've sailed the Greek Islands, Croatia, and Montenegro aboard a small yacht, you haven't really seen them. Here's how we do it:

Small groups

We believe that small is best when it comes to group size on our yachts. No more than nine people will be on any boat, including the skipper.

Adventuresome days

Squeeze the most adventure out of every port stop. With no fixed itineraries, you're free to explore on your own terms and at your own pace.

Relaxing nights

By night, our boats anchor in beautiful bays and picturesque harbours. Sleep in your cabin or camp out on the deck under a blanket of stars.

Great skippers

Join your fully-licensed skipper/CEO on optional excursions around the islands. They'll share with you the hidden gems and explore the local side of the islands and ports we visit.

Our yachts

Living space is optimized, which means that more of the boat is open for everyone to enjoy. Cabins are allotted by the skipper based on the gender and passenger make-up of the group.

Get on board our European fleet

Modern and compact, the hatchbacks of the seas

Our fleet of yachts in Europe bring travellers close to hidden gems and secluded bays like large ships only dream of reaching. Get an authentic sailing experience aboard our eight-passenger vessels, or just relax and watch the pros handle things.

Layout

Aboard our European yachts every space is designed for functional potential. The upper deck offers a comfy lounge where you can enjoy the view or learn sailing 101. Below deck, the cozy galley is where you can share a bite with the group.

Amenities

Nimble yachts mean if your skipper/CEO spots the perfect secluded beach to go for a swim, you'll be there before you can get your suit on. These itineraries are made with flexibility in mind, meaning you can head where the wind takes you, and trust us, the wind has great taste.

Crew

By having our skippers also be Chief Experience Officers, the one steering the ship will also know what type of land-locked sites the group digs. Learn about Greek ruins or how to find due north while sailing – your skipper/CEO is on deck for either.

TOP Our speedy European sailboats. **1.** Plenty of room to hang out with the group. **2.** Twin cabin interior. **3.** Rest up, we've got big plans tomorrow. **4.** Croatia's Mijet Island. **5.** This view could make us all bow down.

Sail Croatia

Rugged beauty abounds on the Dalmatian Coast

Bookended by Split – a UNESCO-protected World Heritage Site – and the ancient city of Dubrovnik, this sailing adventure offers travellers the chance to moor up on undiscovered bays and isolated beaches. Step ashore and discover the many waterside cafés and restaurants. Drink in the sights and scents of a beautiful evening in Croatia or Montenegro. Come find this underexplored paradise before word gets around.

What's up in the Adriatic?

Zlatni Rat

This idyllic pebbled beach on the southern shore of Brač is constantly being reshaped by the wind and the tides. Ask nicely and your skipper might show you his favourite top-secret beach.

Seafood and eat it

Hang out with the fishermen who ply their trade on these waters, then dig into delicious feasts made from what they pulled out of the ocean that day.

Great escapes

While you're in the area, be sure to make time to check out the palace of Diocletian in Split,

the purported birthplace of Marco Polo on Korcula, and the flat-out gorgeous Mljet National Park. You'll be glad you did.

Outdoor fun

Mix a little exercise into your adventure and try your hand at kayaking, cave exploration, and hiking along the Dalmatian Coast's beautiful network of trails.

Dubrovnik and Split

These two UNESCO-protected cities have stood watch over the coast for centuries and are renowned for their unique mix of gothic, Renaissance, and Baroque architecture.

Sail the Greek Islands

Ancient shores, timeless adventures

You've seen the whitewashed villages and azure waters of Greece a zillion times on postcards and travel brochures, but even the greatest images are no match for the real thing. Exploring this country by sea puts you in touch with a side of it you'd otherwise miss, giving you the chance to see where history (and myth) happened and, of course, soak up as much sun as you can.

What's up in the Aegean?

Santorini

Arguably the most famous of the Greek Islands, Santorini has the looks to match the hype. Marvel at the semi-submerged volcanic caldera and the island's stunning cliffs.

Athens

Some of our Greek Islands Sailing tours include a day in Athens at the beginning or end, allowing you the chance to explore the archaeological sites and museums of the mainland before you head home.

Mykonos

A popular spot for jet-setters since the 1950s, the nightlife on this Cycladic island is legendary. Feel free to hit the town; we'll keep the yacht in the harbour until you get back.

Homer's tomb, Ios

The earthly remains of the author of the *Odyssey*, that most epic of Greek epic poems, lie on Ios, a justifiably relaxing resting place for a guy who logged so many travel miles.

TOP LEFT Steady as she goes, mateys. Your skipper knows the islands better than most locals do.

1. We'll show you the Santorini landscapes you've been seeing on postcards for years. **2.** Starboard? Port? Which is left again? **3.** Syros Harbour. **4.** Okay, the on-land scenery is pretty good too. **5.** Don't worry foodies, you'll still float if you have seconds.

Naxos

Naxos doesn't depend on travellers for its livelihood like some of the other Greek Islands, but it loves visitors just the same. Take an optional walk and investigate the Venetian architecture, ancient distilleries, and some of Greece's oldest churches.

Caribbean Sailing

Sand, surf, sun, and fun by the ton

Comprised of over 7,000 islands, the Caribbean is a region defined by its differences as much as its commonalities. Yes, the beaches are incredible. Yes, the waters are ridiculously blue. Yes, the rhythm is always up-tempo and the party goes all night. But contrast is the real spice of life in this part of the world. The British Virgin Islands exude a laidback calm punctuated with the occasional pirate chantey. Culture, relaxation, nightlife, and adventure await in every secluded bay and undiscovered barrio here, and your skipper/CEO holds the treasure map.

TOP Turquoise waters, palm trees and beaches on the horizon - what more could you want? **1.** Cabin interior.
2. Dining area. **3.** Explore a different side of the Caribbean. **4.** The quintessential Caribbean beach moment.

The difference

There's a reason why Caribbean sunsets come to mind when you think of idyllic getaways – and we believe there's no better way to see them than from a catamaran. Here's what else to expect:

Locals know

Skip the preamble and dive right on into the joyous regional culture with the help of a Skipper/CEO who knows what's where and how to get there.

Get away from everyday resorts

We put a different spin on "all-inclusive" by getting you out of the walled resorts and out into the countryside to meet the people who live here.

Secluded destinations

Our regular stopping grounds are far enough off the beaten path that you won't be fighting crowds of tourists for that one perfect slice of beach.

Sail the

British Virgin Islands

Pirates, palm trees, and peace

The British Virgin Islands have called to mariners for centuries, and their allure has never wavered. Why? Maybe it's the balmy weather or the gorgeous mountains that tumble down into seemingly endless beaches. Maybe it's the appeal of the tiny, deserted islands that can only be accessed by boat or the out-of-the-way snorkelling spots that feel all your own. Come discover them for yourself.

What's up in the BVIs?

Small boat, big adventures

A handsome 12m (40 ft) of double-hulled swiftness, our BVI catamaran handles just like a yacht (in case you decide to take a turn at the helm). There's only room for eight on board, which means a higher incredibility-per-traveller ratio than ought to be legally allowed.

Get yer "yaaargh" on

These islands were home to many a scurvy dog in their time, and on Norman Island it feels like they never left. Bask on the beach, dreaming of buried treasure, or sidle on up to the floating bar to tilt a pint o' grog at a joint that takes piratey silliness very seriously.

Cast of characters

There's something about the Caribbean that brings out the best (and weirdest) in people. These islands are filled with unusual characters, and your CEO will help you meet them all.

Do it your way

Whether you opt to hit the clubs, hike the mountains, laze it up on the beach, or try your hand at sailing, your days (and nights) are as full as you decide to make them.

TOP Step aboard a Zodiac to see the BVIs up close. **1.** Grab a bite in the galley. **2.** Take a peek inside our catamarans. **3.** On to the next one. **4.** A typically colourful street scene in the little-big town of Tortola.

The difference

Asia is such an amazing place to explore that you'll want to devote your full attention to it. Here's what we'll be taking care of while you enjoy yourself.

Asian takeout at home is great. Asian food prepared fresh in the glorious waters of Asia? That's something else. Using fresh ingredients, your personal chef will whip up delicious feasts for you every day while you explore the islands.

Escape the resorts

Asia is a crowded place, but our sailing program offers a great way to intimately explore secluded bays and out-of-the-way islands far away from the maddening crowds.

Dynamic itineraries

We offer full week-long sailing adventures and shorter four-day marine-based add-ons that can be combined with our land-based Asia trips. Don't miss out; do both!

Remote access

Flexible itineraries allow us to seek out the snorkelling spots and out-of-the-way islands even the locals don't know about.

Our Asia fleet

The best boats for your adventure

Sail Thailand

Island-hopping via catamaran across the Andaman

Most countries would be satisfied with just a single stretch of dazzling coastline. Not Thailand. They've got over 3,000 kilometres of it. After you've spent a few days here, hopping from island to impossibly beautiful island on an exclusive catamaran with us, you'll have seen more of it than you ever thought possible.

What's up in the Andaman Sea?

Authentically delicious

You know the excitement you get when you get Thai delivered at home? Now imagine it was prepared for you with fresh ingredients by a personal Thai chef while you floated along the Andaman Sea. Hungry yet?

Beach bums unite

There's a reason that most people think of beaches when they think of Thailand, and that's because they've got some of the best in the world. (They filmed "The Beach" there. 'Nuff said.) Whatever your beach style is, you'll find something that suits it.

Getting off the grid

Part of the beauty of exploring via catamaran is you'll have access to some of the most secluded islands, beaches, and caves that the big crowds won't.

Best of both worlds

Having a beach to yourself is cool and all but you'll probably want to visit some of the hot spots like Koh Phi Phi and Phuket, too. We'll get you to them, as well as a bunch of lesser-known islands with just as much to offer.

Sail the Maldives

Set sail for stunning beauty

The Maldives isn't on the list of every scuba diver and avid snorkeller for no reason. Vividly coloured schools of fish and coral reefs teeming with life are easy to explore in crystal clear waters. Forget wiggling into a wetsuit, the water's so warm here you won't need one!

It comes ready with snorkelling equipment, basic fishing gear, and room for ten lucky passengers.

Tunes that can't be beat

You hereby assume responsibility for all such risks and release the Tour Operator from all claims and causes of action arising from any losses, damages or injuries or death resulting from risks inherent in travel, including adventure travel specifically, visiting foreign destinations, and participating in adventurous activities such as those included in Tour itineraries or otherwise offered by the

Tour Operator. The Tour Operator requires that you confirm your assumption of this responsibility by completing the participation waiver (the "Waiver") prior to departing on your tour. The Waiver is available at <https://www.gadventures.com/terms-conditions/participation-waiver/>

You acknowledge that the degree and nature of personal risk involved depends on the products or services booked and the location(s) in which a product or service operates, and that there may be a significant degree of personal risk involved in participating, particularly participating in physical activities, travel to remote locations, carriage by watercraft, participation in "extreme sports" or other high-risk activities, or travel to countries with developing infrastructure. Standards of hygiene, accommodation and transport in certain countries where Tours take place are often lower than the standards you may reasonably expect in your home country or region. You agree that the Tour Operator is not responsible for providing information or guidance with respect to local customs, weather conditions, specific safety concerns, physical challenges or laws in effect in any locations where a Tour, product or service is operated. You acknowledge you have considered the potential risks, dangers and challenges and your own personal capabilities and needs, and you expressly assume the risks associated with travel under such conditions.

You must at all times strictly comply with all applicable laws and regulations of all countries and regions. Should you fail to comply with the above or commit any illegal act when on Tour or, if in the opinion of the Tour Operator (acting reasonably), your behavior is causing or is likely to cause danger, distress or material annoyance to others, the Tour Operator may terminate your travel arrangements on any product or service immediately at your expense and without any liability on the Tour Operator's part. You will not be entitled to any refund for unused or missed services or costs incurred as a result of termination of your travel arrangements, including, without limitation, return travel, accommodations, meals, and incidentals.

You agree to immediately report any pre-existing damage to a representative of the Tour Operator and staff of the accommodation, transportation service, or facility as soon as possible upon discovery.

You agree to take all prudent measures in relation to your own safety while on Tour including, but not limited to, the proper use of safety devices (including seatbelts, harnesses, flotation devices and helmets) and obeying all posted signs and oral or written warnings regarding health and safety. Neither the Tour Operator nor its Third Party Suppliers (as defined herein) are liable for loss or damages caused by your failure to comply with safety instructions or warnings.

You agree to bring any complaints to the Tour Operator as soon as possible in order to provide the Tour Operator with the opportunity to properly address such complaint. You agree to inform your tour leader, another representative of the Tour Operator or the Tour Operator's customer service department directly. The Tour Operator assumes no liability for complaints that are not properly brought to the attention of the Tour Operator and cannot resolve or attempt to resolve complaints until proper notice is provided. Any complaint made after the completion of a Tour must be received in writing by the Tour Operator within 30 days of the last day of travel of the booking in question.

19. THE TOUR OPERATOR IS NOT LIABLE FOR THIRD PARTY SUPPLIERS

The Tour Operator makes arrangements with accommodation providers, activity providers, airlines, cruise lines, coach companies, transfer operators, shore excursion operators, tour and local guides, and other independent parties ("Third Party Suppliers") to provide you with some or all of the components of your booking. Third Party Suppliers may also engage the services of local operators and sub-contractors. Although the Tour Operator takes all reasonable care in selecting Third Party Suppliers, the Tour Operator is unable to control Third Party Suppliers, does not supervise Third Party Suppliers and therefore cannot be responsible for their acts or omissions. Any services provided by Third Party Suppliers are subject to the terms and conditions imposed by these Third Party Suppliers and their liability is limited by their tariffs, conditions of carriage, tickets and vouchers and international conventions and agreements that govern the provision of their services. These may limit or exclude liability of the Third Party Supplier. You acknowledge that Third Party Suppliers operate in compliance with the applicable laws of the countries in which they operate and the Tour Operator does not warrant that any Third Party Supplier is in compliance with the laws of your country of residence or any other jurisdiction.

The Tour Operator is not liable and will not assume responsibility for any claims, losses, damages, costs or expenses arising out of inconvenience, loss of enjoyment, upset, disappointment, distress or frustration, whether physical or mental, resulting from the act or omission of any party other than the Tour Operator and its employees.

The Tour Operator is not liable for the acts or omissions, whether negligent or otherwise, of Third Party Suppliers or any independent contractors.

20. OPTIONAL EXTRAS

"Optional Extras" refers to any activity, transportation, meal, product or service not expressly included in the Tour itinerary or price of the Tour and which does not form part of the Tour. You agree that any assistance given by the Tour Operator's representative(s) in arranging, selecting, or booking, any Optional Extras is purely at your request and the Tour Operator makes no warranties and expressly disclaims any liability whatsoever arising from participation in Optional Extras or any information provided by any representative of the Tour Operator regarding any Optional Extras. You release the Tour Operator from all claims and causes of action arising from any damages, loss of enjoyment, inconvenience, or injuries related to or arising from participation in or booking of Optional Extras.

You acknowledge and agree that any liability for loss, damages, death, personal injury, illness, emotional distress, mental suffering or psychological injury or loss of or damage to property associated with Optional Extras

is the sole responsibility of the third party providing that service or activity.

21. LIABILITY

The Tour Operator and its parents, subsidiaries and their respective employees, affiliates, officers, directors, successors, representatives, and assigns shall not be held liable for (A) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider; and (B) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control. You waive any claim against the Tour Operator for any such loss, damage, injury, or death.

In the event that any loss, death, injury or illness is caused by the negligent acts or omissions of the Tour Operator or of the Third Party Suppliers of any services which form part of the booking contract then the Tour Operator limits its liability, where applicable by all applicable international conventions.

Carriage of passengers and their luggage by sea is governed by the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea (PAL), as amended (the "Athens Convention") which is expressly incorporated into these Terms and any liability of the Tour Operator and the Carrier (as that term is defined in the Athens Convention) for death or personal injury or for loss or damage to luggage arising out of carriage by sea will be determined solely in accordance with this Convention. The Athens Convention limits the Carrier's liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It presumes that luggage has been delivered undamaged to the Guest unless written notice is given to the Tour Operator and/or the Carrier:

(a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or

(b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Any damage payable by the Tour Operator up to the Athens Convention limits will be reduced in proportion to any contributory negligence by you and by the maximum deductible specified in Article 8 (4) of the Athens Convention. Copies of the Athens Convention are available from the Tour Operator on request.

In so far as the Tour Operator may be liable to you in respect of claims arising out of carriage by sea, the Tour Operator is entitled to all the rights, defenses, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions, and nothing in these Terms will be deemed as a surrender thereof. To the extent that any provision in these Terms is made null and void by the Athens Convention or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not further. The Tour Operator's liability will not at any time exceed that of the carrier under its Conditions of Carriage and applicable or incorporated conventions or other legislation. Any liability in respect of death and personal injury and loss of and damage to luggage which the Tour Operator may incur, whether under the contract with you in accordance with these Terms or otherwise, will always be subject to the limits of liability contained in the Athens Convention for death or personal injury.

Notwithstanding anything to the contrary elsewhere in these Terms, the Tour Operator will not be liable in any circumstances to you for any loss or anticipated loss of profit, loss of enjoyment, loss of revenue, loss of use, loss of contract or other opportunity nor for any other consequential or indirect loss or damage of a similar nature.

For claims not involving personal injury, death or illness or which are not subject to the Conventions referred to above, any liability the Tour Operator may incur for the negligent acts or omissions of its suppliers will be limited to a maximum of the price which you paid for the applicable Tour, not including insurance premiums and administration charges. Where this relates to loss or damage to luggage and other personal possessions then the Tour Operator liability will not exceed \$1,000 CAD. The Tour Operator will not at any time be liable for any loss of or damage to valuables of any nature. You agree that you will be precluded from making a double recovery by making the same claims and seeking recovery against the Tour Operator and its suppliers, contractors or other third parties.

22. FORCE MAJEURE

The Tour Operator will not be liable in any way for death, bodily injury, illness, damage, delay or other loss or detriment to person or property, or financial costs both direct and indirect incurred, or for the Tour Operator failure to commence, perform or complete any duty owed to you if such death, delay, bodily injury (including emotional distress or injury), illness, damage or other loss or detriment to person or property is caused by Act of God, war or war like operations, mechanical breakdowns, terrorist activities or threat thereof, civil commotions, labor difficulties, interference by authorities, political disturbance, hoaxes and where so ever any of the same may arise or be caused, riot, insurrection and government restraint, fire, extreme weather or any other cause whatsoever beyond the reasonable control of the Tour Operator; or an event which the Tour Operator or the Third Party Supplier of services, even with all due care, could not foresee any and all of which, individually and collectively, constitute "Force Majeure".

23. IMAGES AND MARKETING

You agree that, while participating in any Tour, images, photos or videos may be taken by other participants, the Tour Operator or its representatives that may contain or feature you. You consent to any such pictures being taken and grants a perpetual, royalty-free, worldwide, irrevocable license to the Tour Operator, its contractors, sub-contractors and assigns, to reproduce for any purpose whatsoever (including marketing, promotions and the

creation of promotional materials by or with sub-licensees), in any medium whatsoever, whether currently known or hereinafter devised, without any further obligation or compensation payable to you.

24. PRIVACY POLICY

The Tour Operator must collect your personal information to deliver the Tour and any products or services booked. The Tour Operator collects, uses and discloses only that information reasonably required to enable the Tour Operator and its Third Party Suppliers to provide the particular Tour, products and/or services that you have requested as described in the Tour Operator's Privacy Policy, which can be accessed any time at <http://www.gadventures.com/terms-conditions/privacy/> and is expressly incorporated into these Terms. By submitting any personal information to the Tour Operator, you indicate your acceptance of the Tour Operator's Privacy Policy.

25. SEVERABILITY

If any provision of these Terms is so broad as to be unenforceable, such provision will be interpreted to be only so broad as is enforceable. The invalidity or unenforceability of any provision hereof will in no way affect the validity or enforceability of any other provision.

26. CONTRACT PARTIES & SUCCESSORS

These Terms will inure to the benefit of and be binding upon the parties and their respective heirs, legal and personal representatives, executors, estate trustees, successors and assigns.

27. APPLICABLE LAW

The Contract and these Terms are subject to the laws of Ontario, Canada and you submit to the exclusive jurisdiction of the courts located in Toronto, Ontario, Canada for the resolution of any dispute under these Terms or concerning any Tour, product or service.

28. AMENDMENTS

The Tour Operator reserves the right to update or alter these Terms at any time, and will post the amended Terms on the Tour Operator's website at www.gadventures.com/terms-conditions/. Any amendment will take effect 10 days after being posted to the Tour Operator's website. An up to date copy of these Terms, as amended, may be accessed at any time on the Tour Operator's website and will be sent to you upon written request to the Tour Operator. You are deemed to have accepted any amendments to these Terms on the date that is 10 days after their posting on the Tour Operator's website. 14 Is this tour for me?

This section contains vital information about your tour. Check here to see if you've found your match.

Tour Type

Small Group:

Group tours average about 12 travellers per departure, depending on the adventure. The maximum is usually no more than 16 (although aboard the *G Expedition*, it could be over 100!).

Independent:

Independent tours are either entire tours you take privately or solo extensions added onto a group tour. Local staff are available on standby 24/7.

Physical Demand

1 - Easy:

You'll have to walk around on your own, climb some stairs, and carry your own bag. Easy does it.

2 - Light:

There'll be some light walking and hiking. Suitable for most fitness levels. Nothing too challenging.

3 - Average:

Tours may include activities like hiking, biking, rafting, or kayaking. No sweat, right?

4 - Demanding:

You might encounter a few high-altitude hikes or other more strenuous activities. Pro tip: Put down that pastry, buster.

5 - Challenging:

These tours include serious high-altitude treks, cycling, or other heavy exercise. For superhumans only. (Remember to pack your cape.)
