ACCESS ALL AREAS

Follow in the wake of great explorers and discover the last untouched regions on the planet. Our small ships get as close as possible to the shore, allowing for access to places that cannot be reached by land. With expert leaders to guide and advise you at all times and all the creature comforts you require, Silversea Expeditions is your chance to experience the world as never before.

Silver Explorer in Skjoldungen Fjord

Our expedition fleet takes you to the furthestmost boundaries of the world. They can transit narrow waterways and anchor in secluded areas, giving you more time to discover the world by Zodiac®.

SILVER CLOUD — 200/260 GUESTS

With five dining options, the highest space and service ratios at sea, and verandas in almost every suite, the ice-class *Silver Cloud* sets a new standard of luxury in expedition travel — including a two-story state-of-the-art theatre, perfect for lectures, seminars and films.

SILVER EXPLORER — 130 GUESTS

Designed for navigating waters in some of the world's most remote destinations, including both polar regions, our purpose-built expedition ship is certified ice-class 1A, meaning it can push through ice floes with ease. *Silver Explorer* offers a level of luxury and service unmatched in expedition cruising.

**SILVER GALAPAGOS — 100 GUESTS**

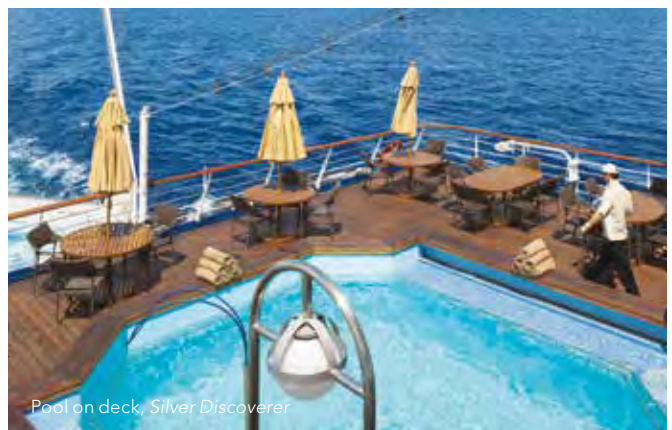

With a proven skill for navigating the waterways throughout the Galápagos Islands, *Silver Galapagos* is naturally suited for in-depth explorations. Make this elegant, intimate ship your home away from home as you discover this spectacular region.

**SILVER DISCOVERER — 120 GUESTS**

Silver Discoverer sails for lands untouched by time or tourists. Visit remote tribal villages where few visitors have ever set foot, uncharted atolls and coral isles vibrant with marine life, and vast yet fragile rainforests that nature still claims as her own.

ALL INCLUSIVE LIFESTYLE

Our ships include a degree of luxury rarely seen in expedition cruising: a butler for every suite, free WiFi to keep in touch with loved ones, your favourite drinks stocked in your minibar, complimentary shore excursions, complimentary Haglöfs® parkas ... the list is as long as your imagination. Your wish? Our pleasure.

Prepare to be spoilt

Catering to your every desire. Uncommon attention to detail. Ensuring that you feel free from all responsibilities. No wonder that year after year, Silversea wins the highest accolades in the industry. And it's not only because our crew-to-guest ratio is one of the very highest at sea. Our experienced and highly trained staff delight in making each guest feel pampered with attentive and sometimes intuitive

service rendered in discreet and seamless ways. There's the bartender who knows you prefer your martini shaken not stirred, the deck attendant who serves canapés as you arrive back after a day of adventure, the chef who surprises you with a smile and your favourite soufflé prepared à la minute. It is this carefree lifestyle, this delicious sense of freedom and well-being that is the very essence of the Silversea experience. An experience that leaves you yearning for more.

Silversea Expeditions have one of the highest “expedition team to guests” ratio in the expedition cruising industry. We select the world’s most knowledgeable and experienced specialists and each voyage is led by an experienced Expedition Leader. The team includes a variety of experts such as biologists, naturalists, anthropologists, geologists, historians and photographers hand-picked for their knowledge, passion and friendliness.

*The Expedition Team members scheduled for these voyages can be subject to change or cancellation.

SPECIALITY EXPEDITIONS

Go beyond the boundaries and dive into your passion, with a passion. Silversea Expeditions offers a series of wellness and culinary discovery cruises, allowing you to connect with your mind and body as well as your inner epicurean.

Combine the thrill of visiting some of the most remote and remarkable places on the planet with yoga and Pilates, whilst the curious epicurean will have the opportunity to discover renowned gastronomic delights through exploration of the European Atlantic coast or the diversity that the Andean countries offer.

Explore your passion

Led by professional experts, our speciality expeditions include in-depth enrichment programmes and theme-related experiences — wine-tastings, food demonstrations, culinary tours, yoga and Pilate classes and more.

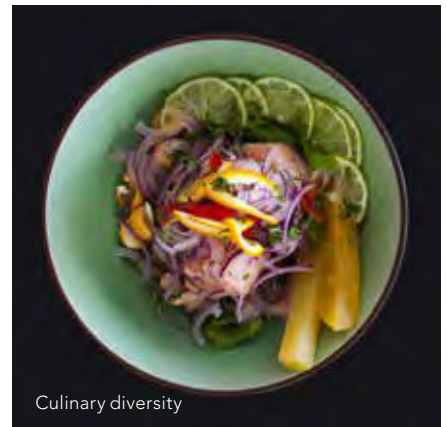

WELLNESS EXPEDITIONS

Silversea Expeditions offers a series of Wellness Expedition voyages specifically designed to improve your well-being. As well as taking you to some of the most remote and unexplored places in the world, we provide a complete onboard programme of Yoga and stretching classes, spa treatments and daily healthy menus, supported by our Wellness partner, Technogym. 7 voyages (9802, 9803, 9804, 9805, 9825, 9826, 9827)

CULINARY EXPEDITIONS

If one of your most enjoyable parts of expedition cruising is to have the opportunity to be fully immersed in the local culture, then join us for an epicurean journey. With cannelés and wines in Bordeaux, fresh oysters in the medieval town of Saint Malo and crêpes in Mont Saint Michel, you are sure to find something that satisfies the most curious of your taste buds. 2 voyages (1809, 1824)

ROYAL GEOGRAPHICAL SOCIETY *with* IBG

Silversea Expeditions and the Royal Geographical Society (with the Institute of British Geographers) have joined forces to spread knowledge collated from centuries of scientific exploration. Founded nearly 200 years ago to advance geographical science, the Society, whose patron is Her Majesty Queen Elizabeth II, will share some of the world's most important geographical research and archive material.

The Royal Geographical Society (with IBG) is a respected professional body for geography and geographers and is one of the largest societies of its kind in the world, as well as the biggest in Europe. The Society has been a notable supporter and communicator of the work of explorers and scientists, including that of Charles Darwin, David Livingstone, Robert Scott, Sir Ernest Shackleton and Sir Edmund Hillary. Dating back as far as 1472, there are more than two million items in the Society's historic collection. Silversea Expeditions guests will benefit from a wide range of specialist visual and written content from the Society, enabling guests to learn even more about their expedition destination.

GALÁPAGOS ISLANDS

Nothing can compare to the living museum of evolution that is the Galápagos Islands. Darwin was right — these islands reflect an eco-system and illustrate the evolutionary process like nowhere else on Earth. Snorkel with turtles, marvel at manta rays and witness the behaviour of wild flamingos and Flightless Cormorants in their natural habitat on an extraordinary voyage of a lifetime.

NORTH CENTRAL ITINERARY

- Observe sea lion families and the famed giant tortoises
- Admire Red-footed, Blue-footed and Nazca Boobies on Genovesa
- Find corals and bones on raised North Seymour Island
- Explore natural underground lava tunnels and hike across lava flows
- Climb Prince Philip's Steps through a thriving seabird colony
- See the Waved Albatross (in season – April to December)

WESTERN ITINERARY

- Swim with green sea turtles, sea lions and manta rays
- Encounter the largest colony of marine iguanas
- Watch for a unique species of Flightless Cormorant
- Visit one of the most volcanically active places on Earth
- Observe giant tortoises and sea lion colonies
- Snorkel with penguins
